Progressive learning objectives, combined with varied teaching approaches, effort to provide stimulating, enjoyable and appropriately challenging learning experiences for all pupils. Through the selection of suitably differentiated and logically developed tasks, it is intended that pupils, irrespective of their innate ability, will enjoy success, and be motivated to further develop their individual potential.

The activities offered and the teaching approaches adopted seek to provide pupils with opportunities to develop their creative and expressive abilities, through improvisation and problem-solving. Pupils are encouraged to appreciate the importance of a healthy and fit body, and begin to understand those factors that affect health and fitness.

We will encourage healthy competition and good sportsmanship. Competitions will be held in school so they are able to compete with their friends and also competition's outside of school. Also we give our children a lots of extra curriculum opportunities, so we offer breakfast clubs every day of the week same with after school clubs.
