

How to save work on Purple Mash?

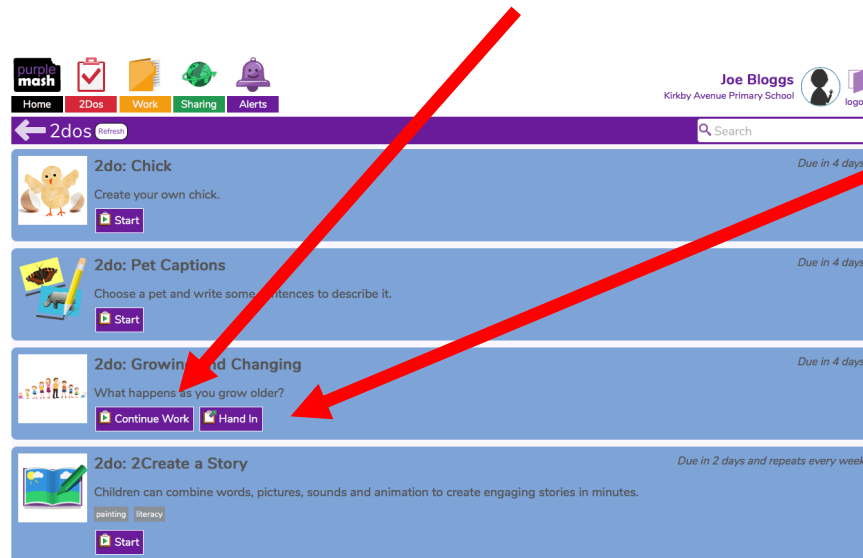

1. Start your '2do' work by clicking start.

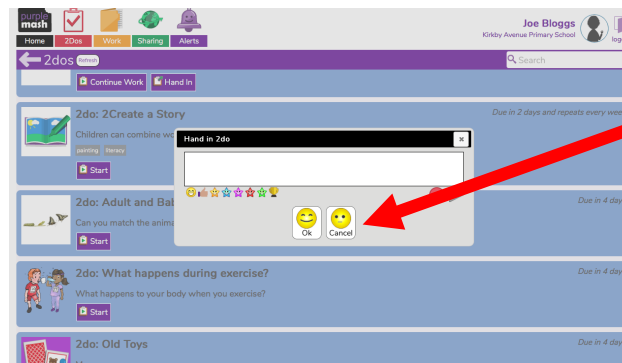

2. Next complete your work. Then click the menu and press save.

3. You can then go back to the '2dos' page and 'continue work' later or if your child has finished click 'Hand in'.

4. It will then bring up the following text box. You can write a type a message to your child's class teacher or click 'ok' to continue and 'hand in' the work.

If the '2dos' are an interactive game or quiz this will automatically be saved and sent to the class teacher on completion.
