

Our World and Us

Welcome back! We hope you have had a lovely break! This half term, our new topic is 'Our World and Us'.

In Literacy we will be looking at a range of genres this term. We will be looking at non-chronological reports, character descriptions, instructions and Autumn poems.

In Mathematics, we will be looking at Place value including partitioning, ordering and comparing numbers. We will also be working on addition and subtraction, moving on to multiplication and division. On Monday's we will also be focusing on Statistics and how we can use graphs and tables to input and understand different data.

As Artists, we will be learning about tints of colours and how to make these, and using a variety of mixed media to make landscape art.

In Humanities we will be looking at climate change and the things we can do to help combat global warming. We will also be looking at the difference that Greta Thunberg has made.

We will also include other foundation subjects during this term, including: RE, French, Music and PE, giving children a wide and interesting variety of subjects to thrive in.

In Science, we will be looking at electricity and carrying out lots of fun practical experiments where we will have to make comparisons, predictions and observations.
