

Home Learning- 7.1.26 -
21.1.26

We are thinking all about the world around us over the next two weeks. We would like you to go on an adventure with your family and use your senses to describe what you can hear, see, feel and smell.

Home Learning- 21.1.26 -
4.2.26

We have been learning to look carefully at things that we are drawing to add lots of detail to it. Can you pick something in your house and draw it using lots of detail?

Home Learning- 4.2.26 -
25.2.26

This home learning falls over half term so we would like you to pick one thing to tell us about that you have done with your family. This could be baking, having a movie night, playing a game together, anything that you have really enjoyed!

Home Learning- 25.2.26 -
11.3.25

We are going on weekly adventures to different continents over the next few weeks. Can you draw a picture and write a sentence about a trip that you have been on. This might be a holiday, a day out or an adventure to the park.

Home Learning- 11.3.25 -
25.3.25

We have been conducting lots of science tests this term finding out what floats and what sinks and what is waterproof and what is not. Can you conduct your own science experiment at home? You can do any experiment you want to.
