

10.9.25 Home Learning Activity

We are working hard in our classes to get to know each other and it's going really well so far! To help us with our discussions we would like you to make an all about me rainbow.

In the cloud, can you write your name? Then on each colour coming from the cloud can you write one interesting fact about you? I could be your favourite colour, food, something you like to do on weekends, an activity you're good at or tell us about your pets.

Please bring your work back on Wednesday 24.9.25

Your second homework activity is to draw a detailed picture in your homework book of the people in your family. With the help of a grown-up, can you write one interesting fact about each member of your family? You might write that your sister's favourite animal is a zebra or that your brother loves to ride his skateboard.

Our topic is 'I wonder where in the world I live'. Your job this week is to draw and describe where you live.

Can you ask one of your grown-ups about the village you live in. If it was me, I would draw my house and my garden with my family and my local park I take

my children too, and the church that is in the middle of my village.

You are going to be an 'Autumn Detective'. Go on a walk (with your grown up) and see if you can see any signs of autumn. Can you collect some signs of autumn and create a picture of a woodland animal.

We look forward to seeing your creations!

Your job this week is to draw a map to somewhere you like to go. You might draw a map to show me how we get from your house to the park, or to grandma's house or how I get to Home Bargains. You choose where you would like to draw a map to, but don't forget to include key things I might pass like traffic lights or other buildings. Please bring your work back on Wednesday 19.11.25

The lead up to Christmas is well and truly in full swing at Kirkby Avenue. To help you to chill out and not get too tired during Christmas craziness your job this week is to have a chilled out movie afternoon with your family. Put on your favourite film, enjoy a nice hot chocolate (or whatever you choose) and cosy up to watch together. Let us know what film you have watched by writing or drawing a short review of what you saw.
