

Dear Parent/Carers,

Due to Covid-19 we have not been sending reading books home for you to read with your child. To help support your child with this we have recently upgraded our subscription to Oxford Owl so that you can access reading books at home.

The username and password for our class have been emailed to you along with the level that your child is working at.

Please log on and have a look at the books. There are lots of lovely books and some different ones to the ones that we have in school. Once you have read a book/part of a book please email us on Purple Mash (log in, tools, 2email) and then we can log the amount of times you are reading. Please feel free to do this if you are reading any stories and your child is having a go at either telling the story using the pictures or sounding out some of the words.

Along with sharing a range of stories, you can support your child's reading by going through the Set One sounds with them. We have attached a 'Speed Sounds' chart to this letter for you to practice. Please take the lead from your child when pronouncing them and if you notice any in particular that your child is struggling with please let us know and we can support them in class and send the video home for you to support them with it too.

Thank you for your support with this.

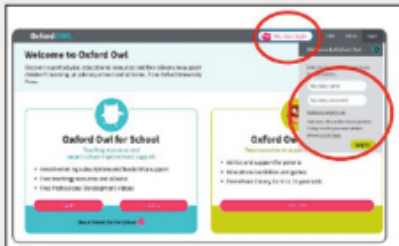

Mrs Fenton and Mrs Strutt.

Parent/Carer information leaflet

The Oxford Owl eBook Library contains a wide selection of books from across Oxford's most popular series. The books are carefully levelled and progress in reading difficulty from those appropriate for Reception right through to those suitable for Year 6. The exact number of books and range of levels your child has access to will depend on the subscription that their school has bought.

How does my child access the eBook Library?

- 1 Go to www.oxfordowl.co.uk
- 2 Click on the 'My class login' button (top right).
- 3 Type in the class name and password that your child's teacher has given your child, and click 'Log in'.

Write your class name and password here:

Class name:

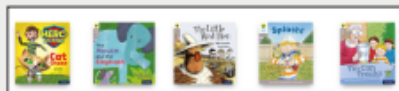

Password:

- 4 Click on the 'My eBooks' button from the Oxford Owl eBook Library.

OXFORD

- 5 Click on the eBook to open it.

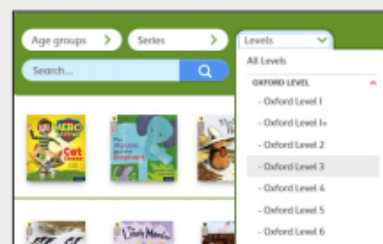

How do I know which book my child should read?

Your child's teacher will tell them which Oxford Level (or Book Band) they are working on. Your child can then read any of the books at that level.

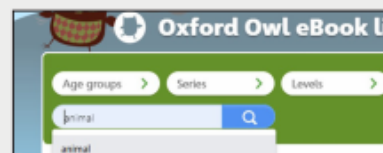

Alternatively, your child's teacher may specify an exact title.

How do I find the right book or level?

To find the right level, click on the Levels filter at the top of the library, choose Oxford Levels or Book Bands as appropriate. Choose your level and then the books will be filtered so that you only see books at that level.

To find the right title, type it into the Search box.
