- Take part in PE lessons which involve teamwork and independence
- Complete some gymnastic balances
- Create balance sequences independently/ pairs

As Musicians we will be:

- Listening to animal sounds
- Calling and responding to Safari animal sounds
- Using instruments to make animal sounds

Reading

We try our best to hear the children read a least once a week and regularly change their books. Please listen to your child read at least 3 times a week. It really makes a difference! Remind them to bring their books every day and to put their name in the book changing box, when it needs changing and we will try to do this.

Weekly PE

Children have PE on Wednesday and Thursday. They need to wear their PE kit on these days. Please remove earrings for these lessons.
