- Understand circuits and make our lighthouse light up

In Geography we will be learning to:

- Find out about the maps, hot and cold places
- Understand about the seas around the UK
- Identify human and physical features of the seaside
- Compare climates and landscapes around the world

In PE we will be learning:

- Complete our athletics unit about running, jumping and circuits
- Take part in striking and fielding games like rounders and tennis

As Readers we will be:

- Reading and practising our predicting and reviewing skills
- Answer and ask questions about books

Reading

We try our best to hear the children read twice a week and regularly change their books. Please listen to your child read at least 3 times a week. It really makes a difference! Remind them to bring their books every day and to put their name in the book changing box, when it needs changing and we will try to do this.

Weekly PE

Children have PE on Monday and Wednesday. They need to wear their PE kit on these days. Please remove any earrings. All other days please wear school uniform!
