

Homework in Holly class!

Welcome to Holly class! ☺

In Holly class, we normally have a homework menu for each half term. Each menu has a range of activities, to give you and your child choice and flexibility. For example, you can choose to do more creative activities on quieter weekends when you have more time.

One activity from the homework menu should always be completed each week. If children complete extra homework, they will be a 'Homework Champion' and get a special mention in celebration assembly that week.

Below are listed all the key points about homework at Kirkby Avenue Primary School.

- ★ In Holly class, homework is sent out on Friday and is due back by the following **Wednesday** at the latest. If you have any problems with this and perhaps need extra time, please come and see us before Wednesday.
- ★ If you need any help completing a homework task, e.g. resources such as paper, card, colouring pencils etc, please come and see us and we would be happy to help you ☺
- ★ Homework should be done to a good standard and books should be kept neat. Please make sure children do not doodle or draw on the book. Pages should not be removed from homework books.

If you have any questions about homework in Holly class, please come and see us.

Miss Rogers x
