

Home Learning Activity 1 (2.9.26- 16.9.26)

We are working hard in our classes to get to know each other and it's going really well so far! To help us with our discussions we would like you to make a self portrait from craft resources, you can use pasta, paint, sticky shapes whatever you have available to you at home. Please bring this into school for us to display on our homework display.

Home Learning Activity 2 (16.9.26- 30.9.26)

We would like to learn about somewhere you and your family like to go. Is there a special day out you all like to go on? Is there a place your family always go on holiday? Can you draw your families favourite place and tell your adult a sentence they can write to explain to us in school why it is a special place to you.

Home Learning Activity 3 (30.9.26- 14.10.26)

As the season changes to autumn can you go on an autumn walk to collect some leaves. Look carefully at the colours of the leaves as you pick them to make leaf people. Can you collect leaves of different shapes, sizes and colours and discuss these with your adult.

Home Learning Activity 4 (14.10.26- 4.11.26)
