

Welcome to Beech Class

Our topic is Colour

Physical Development / Physical Education

We are going to be learning to:

- ★ Get ready for PE.
- ★ Throw and catch a ball.
- ★ Write recognisable letters and develop our handwriting.

Personal, Social and Emotional Development / PSHCE

We are going to be:

- ★ Making new friends.
- ★ Learning the rules and routines.
- ★ Sharing resources with our peers.
- ★ Settling into Reception/Year One.
- ★ Building relationships with the adults in our class and the school.

Communication and Language

We are going to be:

- ★ Talking about our summer holiday.
- ★ Trying to stick to one main theme when we are talking.
- ★ Initiating conversations with our peers.
- ★ Trying hard to maintain attention and concentration when we are on the carpet and listening to the adults and one another.
- ★ Talking about the stories that we are reading.

Homework

Homework will be sent out on a Friday and we ask that it is returned by Wednesday. Please put your child's homework in the basket.

Can you be a superstar?

Reading Superstars

We encourage your child to read as often as possible with you at home. We have different prizes for the amount of times your child reads:
Three times – One team point.
Four times – Two team points.
Five times or more – A PRIZE!!
We congratulate all 'Reading Superstars' and they are named on our board every week.

Exploring and Using Media and Materials

We are going to be:

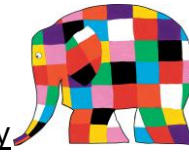

- ★ Craft making and model building.
- ★ Exploring different painting materials. It is going to be very messy!
- ★ Acting out our experiences in our exciting dentist role play.

Understanding the World / Science / ICT / History / Geography

We are going to be:

- ★ Finding out about forces and motion.
- ★ Looking at our environment and the changing of the seasons as we move into autumn.
- ★ Finding out about Guy Fawkes.

Literacy

We are going to be:

- ★ Writing lots of different things.
- ★ Practising our reading.
- ★ Learning lots of new sounds.
- ★ Writing our names, CVC words and sentences.

We will be reading 'Elmer' by David McKee.

Mathematics

We are going to be:

- ★ Exploring numbers and their value.
- ★ Reading and writing numbers 1-20 and beyond.
- ★ Learning to add two numbers together using counting objects, number lines and 100 squares.
- ★ Subtracting
- ★ Playing with shapes and talking about their properties.
- ★ Exploring the height, length, weight and capacity of different objects.

Our PE day is TUESDAY

Please ensure earrings are taken out as children will not be able to participate in PE with earrings in. Please also ensure that all of your child's clothes and shoes have their name in, especially pumps.

Thank you
