

Magic and Mystery!

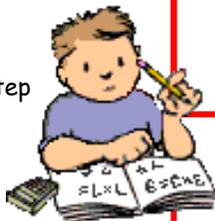

As writers we will be learning:

- To write in the style of a theatre critic
- To appreciate and produce formal texts, including letters of complaint.
- To write in a journalistic style
- To role-play TV journalism
- Linking to our class book we will be producing diaries and detailed descriptions.
- To study modern fiction - Harry Potter and the Philosopher's Stone

During the second part of the Autumn Term our overall theme is one of 'magic and mystery' linked to our class book Harry Potter and the Philosopher's Stone - we will be linking this to our Guided Reading, History, Literacy, Numeracy and Artwork.

As mathematicians we will be learning how to:

- Solve Money and 'real life' problems linking to Christmas
- To find fractions of amounts
- Use a calculator effectively to solve problems involving multi-step calculations, including money problems.
- Describe and classify 2-D shapes and 3-D solids
- Develop mental calculation strategies
- Know times tables up to 12×12
- To handle data - extracting information from tables, converting the data to percentages, interpreting data, interpreting and representing data in line graphs.

If you have any questions about our work this term, please ask!

Tuesday 29th November 2016: Parents Maths Meeting 9.30 - 10.30pm

Miss Tuzemskyj

As scientists we will be:

- Recognise that light appears to travel in straight lines.
- Use the idea that light travels in straight lines to explain that objects are seen because they give out or reflect light into the eye;
- Explain that we see things because light travels from light sources to our eyes or from light sources to objects and then to our eyes.
- Use the idea that light travels in straight lines to explain why shadows have the same shape as the objects that cast them.
- Be familiar with and understand a range of phenomena associated with light e.g. rainbows and coloured filters.

As members of society we will be learning:

- Understand our 'Power for Good' for anti-bullying week
- How to build an effective class community
- How to manage our own feelings

As artists we will be learning:

- To sketch and paint the four seasons
- To produce detailed water-colour art
- To make and mix powder paints effectively
- To a marbling effect using inks

As sports stars we will be improving our skills in:

- Team Games
- Gymnastics
- Dance

Sycamore Class: Nov '16
